*“And I would heal them.”
That’s a different offer from:
“And I would forgive them.” It’s
a different offer from: “And I
will give them a place in
heaven.” No, Jesus is offering
healing to us.” - John
Eldredge*

At Barnabas, we understand the pressures of leading people into spiritual health and wholeness. In order to achieve this weighty goal, a church may be stretched thin with the demands on staff, time, and energy.

We understand the value of Christ centered counseling and our intention is to come along side of churches in order to alleviate the demand on their staff, while serving the congregation.
